

## UNLOCKING SAFETY EXCELLENCE WITH **ISO 45001:2018**

Occupational Health and Safety  
Management Systems (OHSMS)

**ISO 45001:2018 is an internationally recognized standard for Occupational Health and Safety Management Systems (OH&SMS). It provides a framework for organizations to identify, control, and continuously improve their health and safety performance. The standard is designed to be adaptable to any organization, regardless of its size, industry, or location.**

## BENEFITS OF IMPLEMENTING ISO 45001:2018

### ENHANCED SAFETY CULTURE

- Fosters a culture of safety awareness and responsibility among employees
- Encourages proactive measures to prevent accidents and injuries

### LEGAL COMPLIANCE

- Ensures compliance with local and international health and safety regulations
- Reduces the risk of legal liabilities and associated costs

### IMPROVED PRODUCTIVITY

- Reduces downtime due to accidents or illnesses
- Enhances employee well-being, leading to increased productivity

### GLOBAL RECOGNITION

- Demonstrates commitment to health and safety on a global scale
- Enhances the organization's reputation with stakeholders

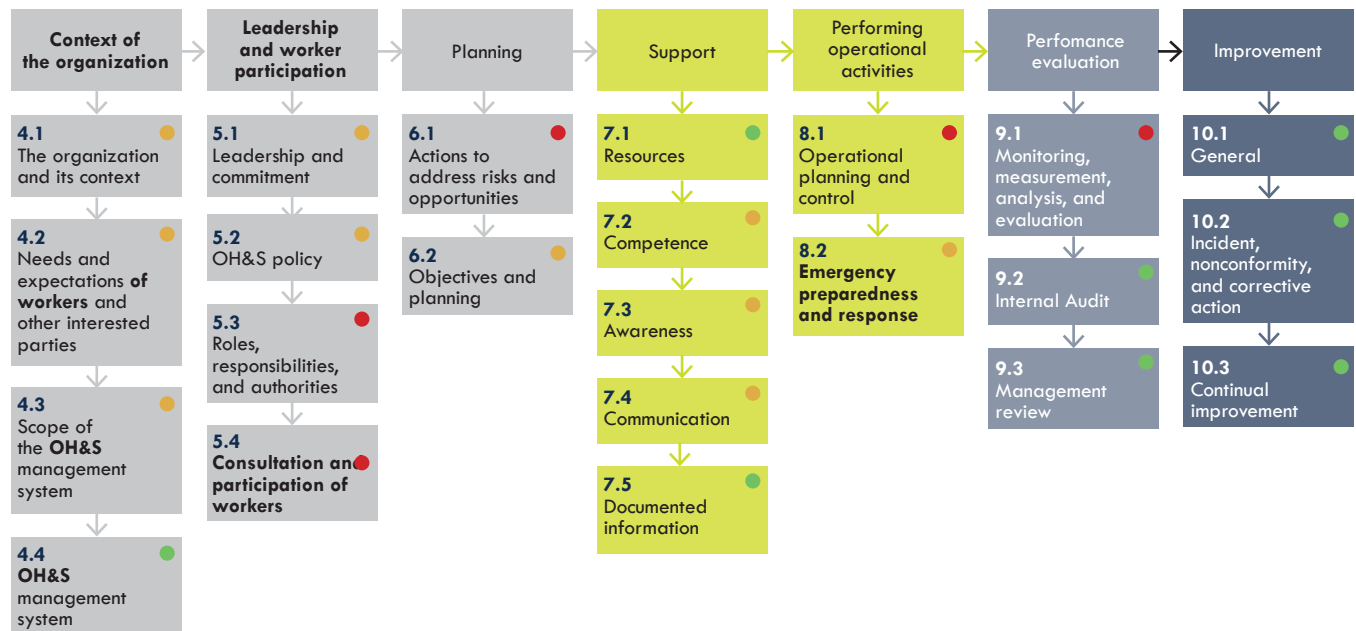

### COST SAVINGS

- Minimizes the financial impact of workplace accidents
- Reduces insurance premiums through improved safety performance

## Structure of ISO 45001:2018

The structure of ISO 45001:2018, the international standard for Occupational Health and Safety Management Systems (OH&SMS), is designed to provide a robust framework for organizations to proactively manage occupational health and safety risks. The standard follows the Annex SL structure, common to many ISO management system standards, facilitating integration with other management systems.

## OBTAINING ISO 45001:2018 CERTIFICATION FROM CBQA GLOBAL

Is this your inaugural certification for the Occupational Health and Safety Management System (OH&SMS)? If you are seeking initial ISO 45001:2018 certification, feel free to request a quote or reach out to CBQA Global for assistance in establishing your certification process.

You can contact us at **Tel.: +628 11 8468 777** or **via email at [info@cbqaglobal.com](mailto:info@cbqaglobal.com)**. It's worth noting that ISO 45001:2018 certification can be integrated into a certification cycle that includes ISO 9001 and/or ISO 14001.
